

NATARAJA

THE DANCING SOCIETY

Nataraja, the dancing society of YMCA University of Science and Technology, Faridabad was established around 15 years back. The club aims at providing a platform for the engineering students to showcase their love of dance, thereby helping them in honing their talents/hobbies with the help of proper rehearsals, dance activities and various inter/intra college competitions.

Nataraja consists of two sub-sections which represent different genres of dancing. These are:

WESTERN: It includes the western dancing styles like hip-hop, freestyle, popping, locking, belly dancing and so on.

FOLK: It includes various folk dances of Indian states like *bhangra*, *giddha*, *haryanvi* along with Indian classical dances like *kathak* and *bharatnatyam*.

Various functions of the club are:

1. Arranging proper practice and rehearsal sessions for the development of dancing skills of students.
2. Participating in different events like solos, duets and group dances, so as to provide proper exposure and experience.
3. Organizing various types of dancing events during the cultural fest.
4. Encouraging all sorts of dancing styles and learning about them as much as possible.
5. Participation in dance competitions in cultural fests organized in other colleges.

The students of the final year organize various events under the guidance of the teachers. Participation from the students of all years is highly acknowledged.

Organization of the club activities:

The club is organized by the students themselves under the coordination and guidance of senior faculty members.
