## **(Fine Arts Club)**

Srijan club is a Fine Arts oriented club for the Students interested in arts of YMCA University of Science & Technology, Faridabad. The club was established in January, 2003. This club aims at the wholesome development of the engineering students through organization of number of art workshops and developing the skills and enhancing the creativity.

Various functions of the club are as follows:

- To decorate stage for various events (fest, fresher's etc.)
- To make invitation/other cards, charts and poster for college.
- Participation of the students in the technical fests organized in other colleges and universities time to time.
- Providing facilitation to the students for art and craft if they wish to do. Arrange visits to art exhibitions (eg. Lalit kala academy, National modern art gallery etc.).
- To arrange art workshops for students in the university. (eg. Madhubani & Abstract art)
- To organize a number of fine arts events during the annual cultural fest in the university.

The students from final year organize various events under the guidance of the teachers. Participation from the students of all year is highly acknowledged.

### **Organization of the club activities:**

The club is organized by the students themselves under the coordination and guidance of senior faculty members

Presently faculty coordinators of the club are

1. Dr. Renuka Gupta

The activities of the club are organized by the elected student representatives from each year.

### **Membership of students:**

- All mechanical engineering students by default are the members of the club. The only condition is that he/she must organize/participate in cultural or other activities of the club time to time.
- There are no registration fees to become a member of the club.

**Club Workflow:**

The club workflow involves selection of students from each year to mentor and help the club to organize and coordinate events at regular basis.

The selection to these posts is done by a proper selection criterion and by the mutual consent of the faculty advisors.
