Subject: Updation of Aadhar No. in the student record

R/Sir/Madam,

Result of end semester May/June 2018 examinations is to be declared soon. As per the suggestion of Academic Council, Aadhar no. is to be printed on the DMC of the students.

In this regard, you are requested to intimate your students that the result of 2nd semester can be viewed by them only after submitting their Aadhar no. on the online portal. They must be made aware of the fact that this Aadhar no. is going to be printed on their DMCs. Correct Aadhar no. should be submitted on the online portal, failing which it may create problems for the students during their Education details verification by various Employers/Govt. agencies in future.

Yours faithfully,

Assistant Registrar (Examinations)
For Controller of Examinations
