

**One Week Short Term  
Training Programme on  
“Graphics & Animation for  
Instructional Material  
Development”  
(11.02.2019 – 15.02.2019)**

**Sponsored By**

**National Institute of Technical  
Teacher’s Training and Research,  
MHRD, Govt. of India,  
Sector 26, Chandigarh**

**Organized By  
Department of Computer Applications**

**J.C.BOSE UNIVERSITY OF SCIENCE  
AND TECHNOLOGY,  
YMCA, FARIDABAD**

**Sector 6, Faridabad, 121006 (Haryana)**

**Patron**

**Prof. (Dr.) Dinesh Kumar, Vice-Chancellor**  
J.C.Bose University of Science and  
Technology, YMCA, Faridabad

**Programme Chair**

**Prof. (Dr.) Atul Mishra, Chairman,**

## About NITTTR

NITTTR was established in 1967 to train better quality teachers to cater the large scale need of rapidly growing industry in the field of computer, educational technology, rural development and educational management. The institute offers regular master courses in Engineering Education, Manufacturing Technology, Construction Technology and Management, Computer Science and Engineering, Instrumentation and Control and Electronics and Communication Engineering. All these programs, being offered by NITTTR are duly approved by AICTE and affiliated to Punjab University, Chandigarh. The institute offers more than 400 short term courses annually for polytechnics, engineering college teachers, professionals and managers from industries.

## About J.C.Bose University of Science and Technology YMCA, Faridabad

J.C.Bose University of Science and Technology YMCA, Faridabad (formerly YMCAUST, Faridabad) has been in existence for the past 50 years and consistently been contributing towards creation of competent engineering professionals and entrepreneurs. An Institution that had a humble beginning as a post diploma institution and famous for generating skilled technical human resource for the industry has been elevated in 2009 as University of Science and Technology to further create competent human resource in diversified areas of Science & Technology. The competence of the University has been recognized at various levels by the agencies like UGC (grant of 12B status), accreditation (NAAC Grade 'A'), NIRF (best ranking amongst State Engineering Universities in Haryana), etc.

The University offers B.Tech Degree courses in Electronics and Communication Engg., Instrumentation and Control Engg., Computer Engg., Information technology, Electrical Engg., Mechanical Engg. and Civil Engineering.

The university has also added new chapters in its glorious history i.e BBA, MBA, BCA, MCA, M.Tech, B.Sc.(Animation & Multimedia, Maths, physics), M.Sc. (Physics, Maths, Chemistry & Environmental Sciences), M.A. (Mass

Communication and Journalism) and Ph.D in various disciplines. Moving ahead on the path of excellence, the University is ready to effectively take up the forthcoming challenges in diversified domains. To accomplish this, new courses are being added and new facilities are being developed on continuous basis. Inculcation of ethical and moral values among youth is one of our prime concerns.

## About the Department

The Computer Applications Department aims to make a place at both national and international level by producing high quality ethically rich computer application engineers conversant with the state-of-the-art technology with the ability to adapt the upcoming challenges in information technologies and their applications to cater to the ever-changing industrial and societal needs. It is committed to provide a supportive, friendly and challenging learning and research environment. Moreover, it endeavors to establish itself as a centre of excellence in teaching and research to produce skilled human resource for sustainable nation's growth and having technological impact on the people's life. Part of our mission is to enable the students to acquire globally competence through developing their problem solving skills and exposure to latest developments in area of computer application and information technologies.

The department offers BCA, B.Sc. (animation & multimedia) and Master of Computer Applications programs. The programs are designed to provide a core Computer applications foundation, as well as concentration courses that will equip learners with the necessary technical and research skills needed in industry and academia.

**As a part of Golden Jubilee celebration, the department is organizing one week STTP on "Graphics & Animation for Instructional Material Development" from 11<sup>th</sup> Feb,2019 to 15<sup>th</sup> Feb, 2019.**

## About the Program

The Short term training Programme on "Graphics & Animation for Instructional Material Development" will serve as an excellent platform for enhancing and sharing knowledge regarding methodology and applications of graphics and animation. The objective of this program is to bring

together various researchers and practitioners from academia and industry to emphasize on modern graphics tools and applications in engineering and other areas. .

## Course Fee

There will be no course fee from the participants sponsored by competent authority.

## Participation

The program is interdisciplinary and is open to faculty and technical staff from university /Institute/Engg..College/ Polytechnic, participants sponsored by director technical and nearby local engineering colleges/technical Chairperson(CA) institutions authority.

## Registration

The registration form can be downloaded from the university website [www.ymcaust.ac.in](http://www.ymcaust.ac.in). Faculty interested in attending the program must get registered either with the program coordinator at NITTTR, Chandigarh or local coordinator at YMCAUST, Faridabad. The duly filled registration form recommended by competent authority should reach the coordinator latest by 8 Feb 2019.

In case the sponsored participant(s) institute is covered under TEQIP, the course Fee @ Rs. 5000/- +18% GSTper participant will be charged. In addition, their boarding/ lodging will be borne full payment basis. In addition, TA/ DA of teachers from such institutes will be borne either by their own selves or by their sponsoring institute.

The boarding/lodging, TA/DA will not be provided.

**The participants will have to make stay arrangements at their own during STTP.**

## IMPORTANT DATES

**Last date for submission**

**of application form: 08<sup>th</sup> Feb. 2019**

**Inauguration of STTP: 11<sup>th</sup>Feb.2019**

**Valedictory Session: 15<sup>th</sup>Feb.2019**

**Send scanned copy of Application Form at:**

**sttp.ymca2019@gmail.com**
